"FINALLY-A REAL MAN!"

That's what Rita says when she sees cosmic creep Ivan Ooze! But is he really more of a man than Lord Zedd? Let's find out:

HEY, GOOD-LOOKING!

PERSONALITY:

He's bossy, he's loud, he's moody, and let's face it, the only time he showed a romantic side was when Rita cast a spell on him - so it doesn't count!

Rita thinks Ivan is a real babe - but she's used to spending her time with a bunch of unearthly monsters! Ivan isn't bad looking if you enjoy looking at an overgrown purple fungus. As for Lord Zedd, his face is a mystery - thank goodness!

**BABE RATING-
OOZE: 0 ZEDD: 0**

Ooze by name,
Ooze by nature! Ivan can
be charming and witty -
but it's all an act! He only
makes people like him, so
he can trick them later!
Ooze isn't just his name -
it's what he actually is -
a cosmic slime creature!

PERSONALITY POINTS-
OOZE: Minus 10
ZEDD: Minus 10

DRESS-SENSE:

Ivan Ooze's beautifully frightful
wardrobe is almost as scary as
he is! He may be a purple poser,
but at least he poses with style!

Lord Zedd hardly wears any
clothes at all! But his awesome
armoured appearance always
makes a big impression!

POWER DRESSING-
OOZE: 10 ZEDD: 10

Let's have a look at the old scoreboard! Ivan Ooze
and Lord Zedd **tie!** With a big fat **Zero** each! Rita is
married to one of them, and considers the other one
a 'real man' so this feature proves one thing - that
Rita is **Completely batty!** But let's face it...we
knew **that** already!

A PUBLIC SERVICE ANNOUNCEMENT FROM SABAN INTERNATIONAL

HOW TO MAKE YOUR OWN GREEN RANGER!

Judging from the letters we've received, quite a few readers out there would love to have a Green (or a White) Ranger all of their own...to teach them some cool martial arts moves, or maybe for a hot date!

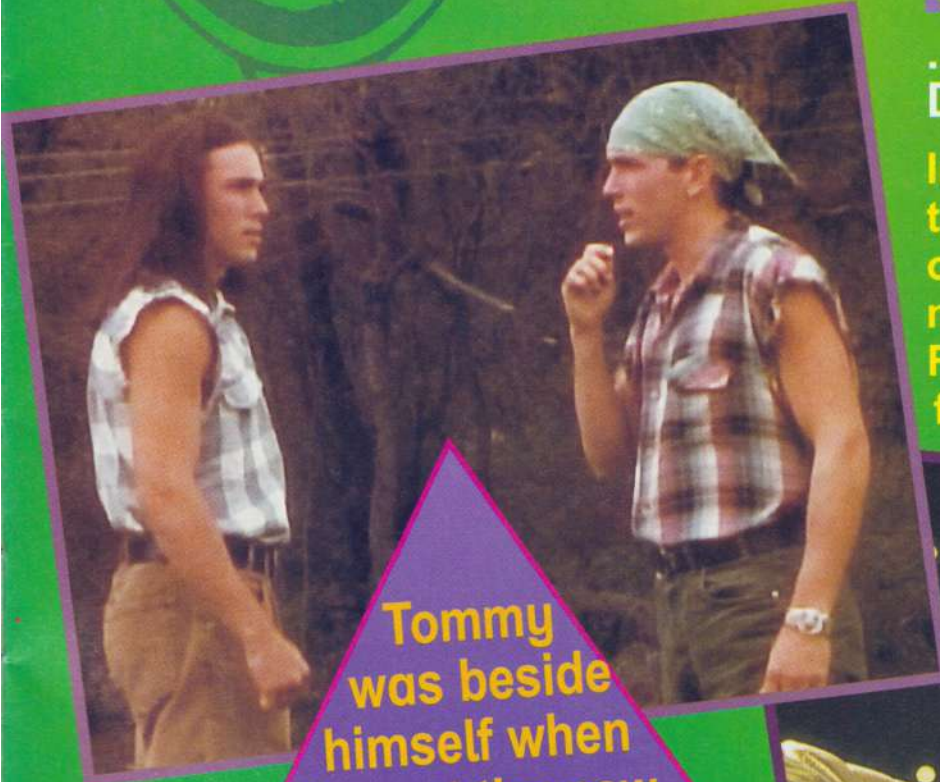

It's not difficult to make your own Tommy - if you're a witch!

Guess who created the new evil Green Ranger? Yes - RITA of course! But as usual she stole her idea from someone else...

....the Ghost of Darkness!

In case any of you talented junior witches out there are planning to make your own Green Ranger, just turn over to find out how it's done!....

Tommy was beside himself when he met the new Green Ranger!

IT'S QUITE
SIMPLE REALLY!

1. Rita calls the Wizard of Deception and sends him to earth to make a clone (a copy) of Tommy!

2. Using the Power of his magic wand, the Lizard-faced, bat-caped weirdo, zaps Tommy!

3. Then, putty geeks snip off a sample of Tommy's beautiful locks.

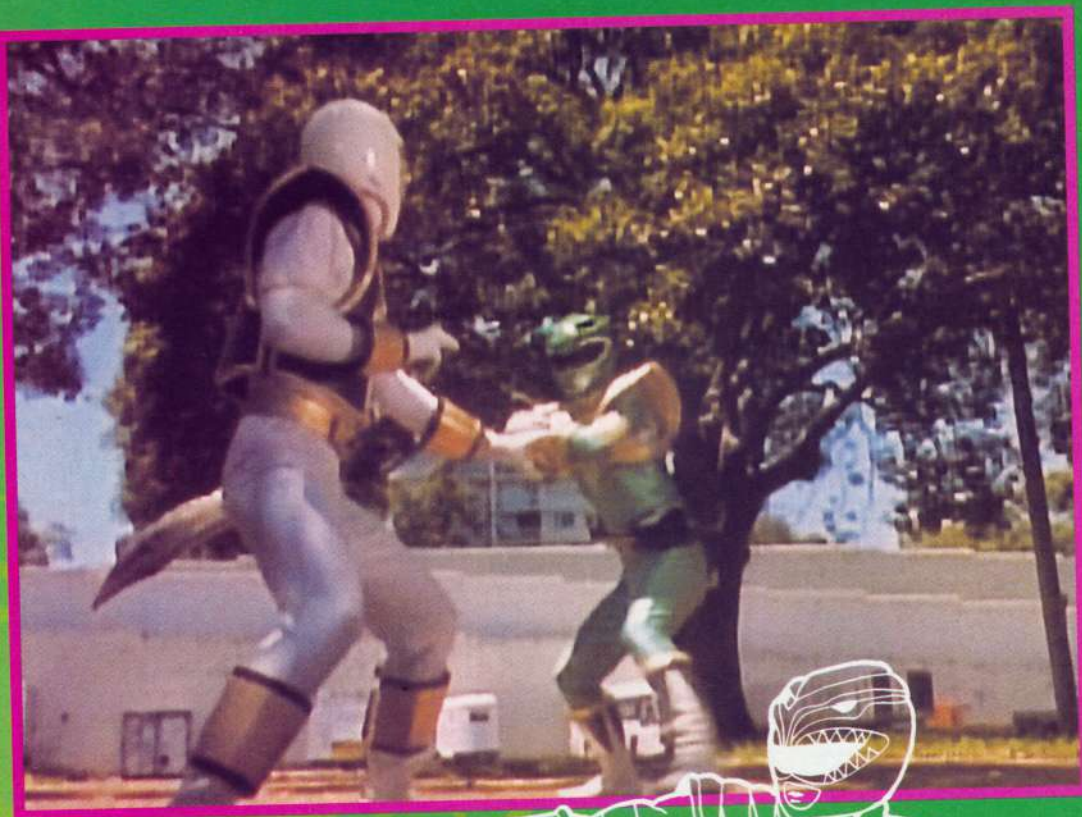

4. Next the wicked Wiz waves his wacky wand over the stolen hair, and *ala kazam* - a new Tommy!

WARNING: Don't try this at home!

Green Rangers have a nasty habit of still being under Rita's spell! PLUS, Tommy can be pretty expensive to feed! They don't give away those exotic fruit cocktails at the Gym and Juice bar, you know!

The
wicked
Wiz and
his mean
green
creation!

If you do manage to magic up a Green Ranger, keep him away from the White Ranger - fights have a way of breaking out!

CLONE CHAOS!!!

The Green Ranger became good in the end, Tommy waved the Wizard's wand, and his copy started a new life in Angel Grove in the late 18th century!

ADAM

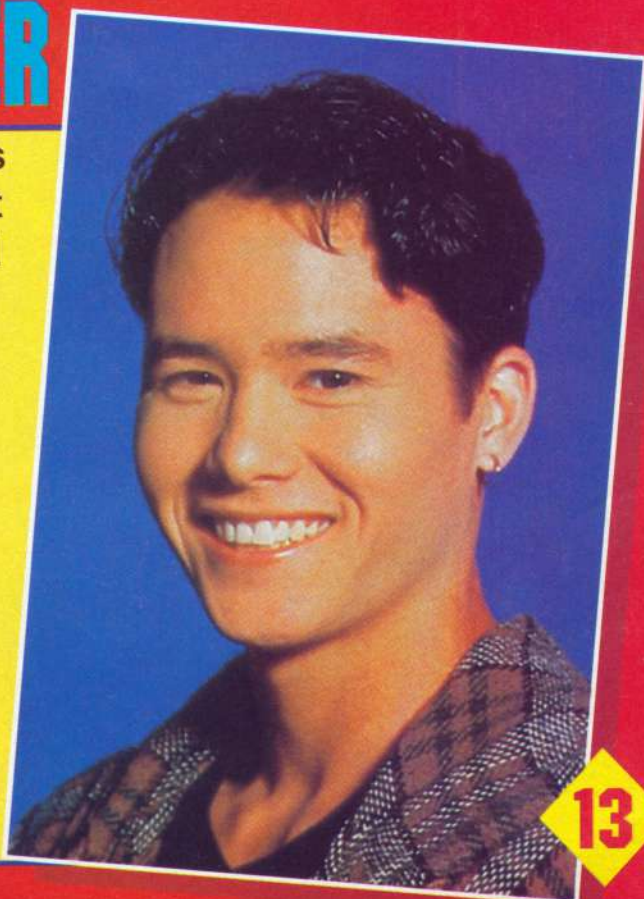

THE NEW BLACK RANGER

As the new Black Ranger, Adam is the complete opposite of

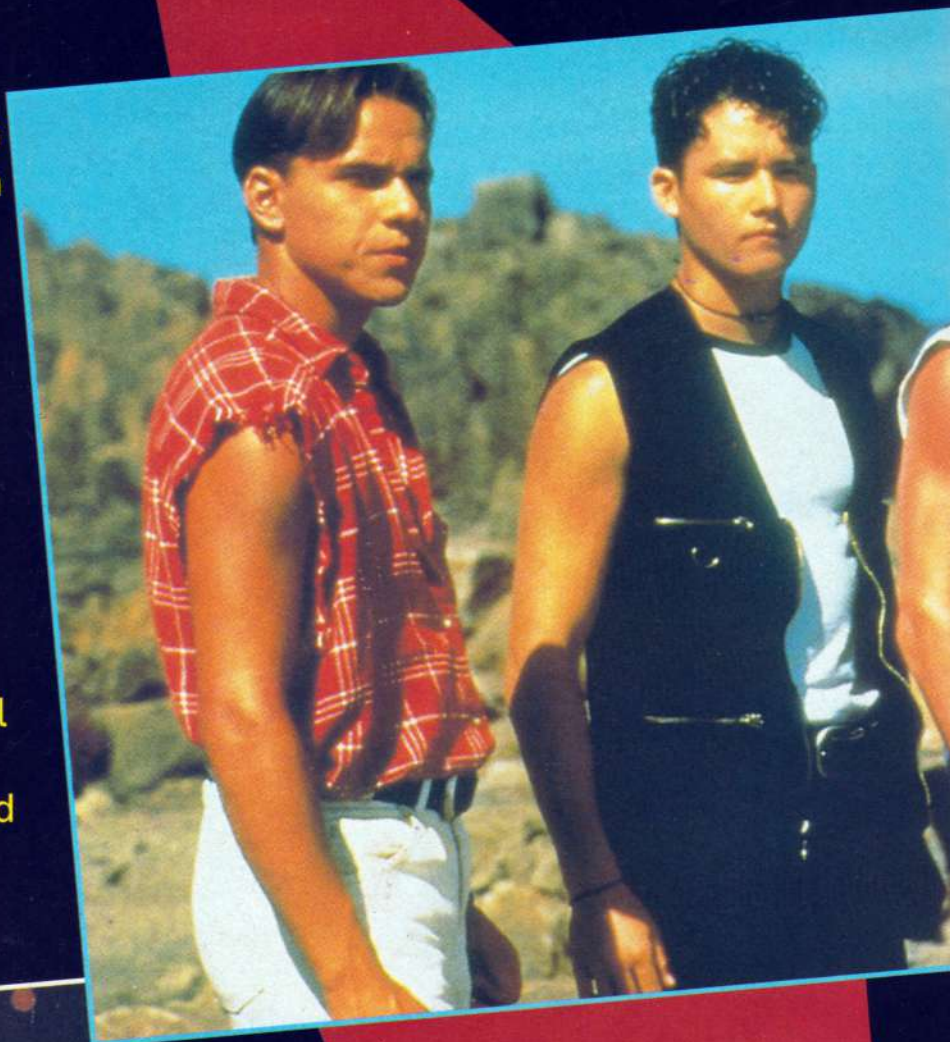

Zack. His fellow students at Angel Grove High think of him as a mysterious guy, but that is only because he is shy and quiet. His brooding good looks owe a lot to the fact that he is half-Korean and half-American. Once you get to know him, he is a sensitive and understanding friend.

THE CHARACTER

If you have a problem he is always ready to listen. But don't let his quiet ways fool you. Adam is a very focused and thoughtful young man, with a great inner strength. But he wasn't always like that. As a young boy he was often bullied by other boys in his class because of his small size, so he turned to martial arts as a means of building his confidence and defending himself against bullies.

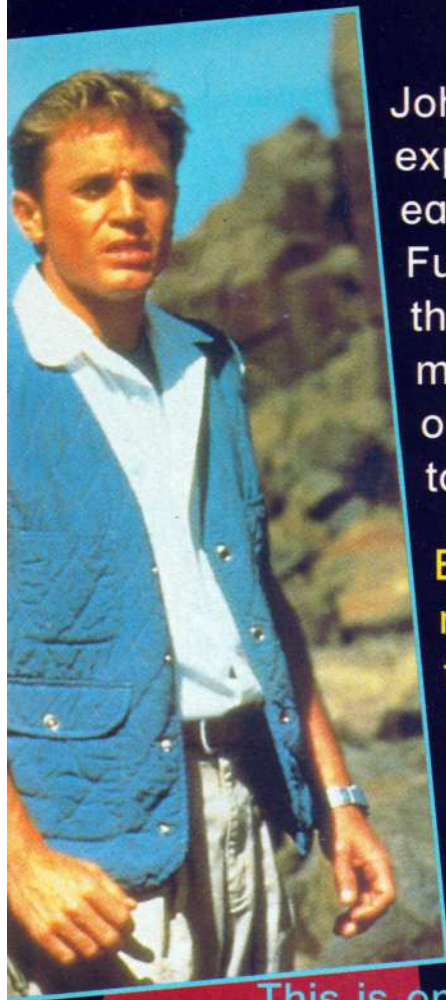

It was a special form of martial arts called Shaolin Kung Fu. Since then, years of martial arts training and meditation have transformed him into a fearless and mighty martial arts warrior, one fit to wield the power of the Black Ranger.

THE ACTOR

Yet another Texan, along with Steve Cardenas and Karen Ashley, Johnny Yong Bosch was born on January 6th, 1976 in a town called Garland. He was inspired to take up martial arts by watching movies by popular Kung Fu film stars of the time. "Bruce Lee and Jackie Chan have been my heroes ever since I was little," he says.

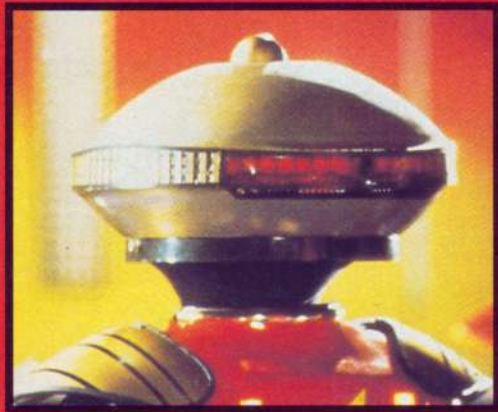

Johnny is a self-taught martial arts expert. Years of practice paid off when he earned the Purple sash in Shaolin Kung-Fu after only 1 1/2 years! And if you thought that was impressive, he has managed to win a trophy in every single one of the seven martial arts tournaments he has entered!

But his life doesn't revolve around martial arts. Johnny also has a passion for soccer, which he has played for over ten years, including four years in the team at Garland High School where he eventually achieved the title of First Team All-District Forward!

This is one young man who knows what he wants and is determined enough to get it. He obviously wanted to be in the Power Rangers!

Watch out for a brilliant new caption competition in our next issue! If you can tickle my metallic ribs, you might be a winner!

SHREDHEAD AND SHREDLESS WONDER!

Hi everyone! If you're like me a serious ShredHead, you're bound to go bouncy for the jelliciously orangjelly tangy taste of **Robertson's Golden Shred**. Or, maybe you're wickedly smooth like my buddy Shredless Wonder, who goes bendy for the jelliciously clear orangelliness of **Robertson's Golden Shredless**. Whatever you prefer, you can get us both

from our jars and we'll come bouncing and bending our way to you as a free super bounce ball (that's me!) or a free bendable bendy toy just like Shredless Wonder. So tell your mum to look out for the special **Golden Shred** and **Golden Shredless** labels. You only need three labels for one of us, or five labels to get us both **FREE!**

FINSTER'S MONSTERS

Sometimes I wish I had more time to read up on my monsters before I create them. But no! My Mistress wants one, and she wants one now! Remember the Minotaur?

A monster with the body of a man and the head of a bull sounds like a wonderful idea, but what happened? Those Power Brats destroyed my magnificent Minotaur with a laser blast - just a laser blast! Can you believe it!?

But if I had known the whole story about him, I wouldn't have bothered.

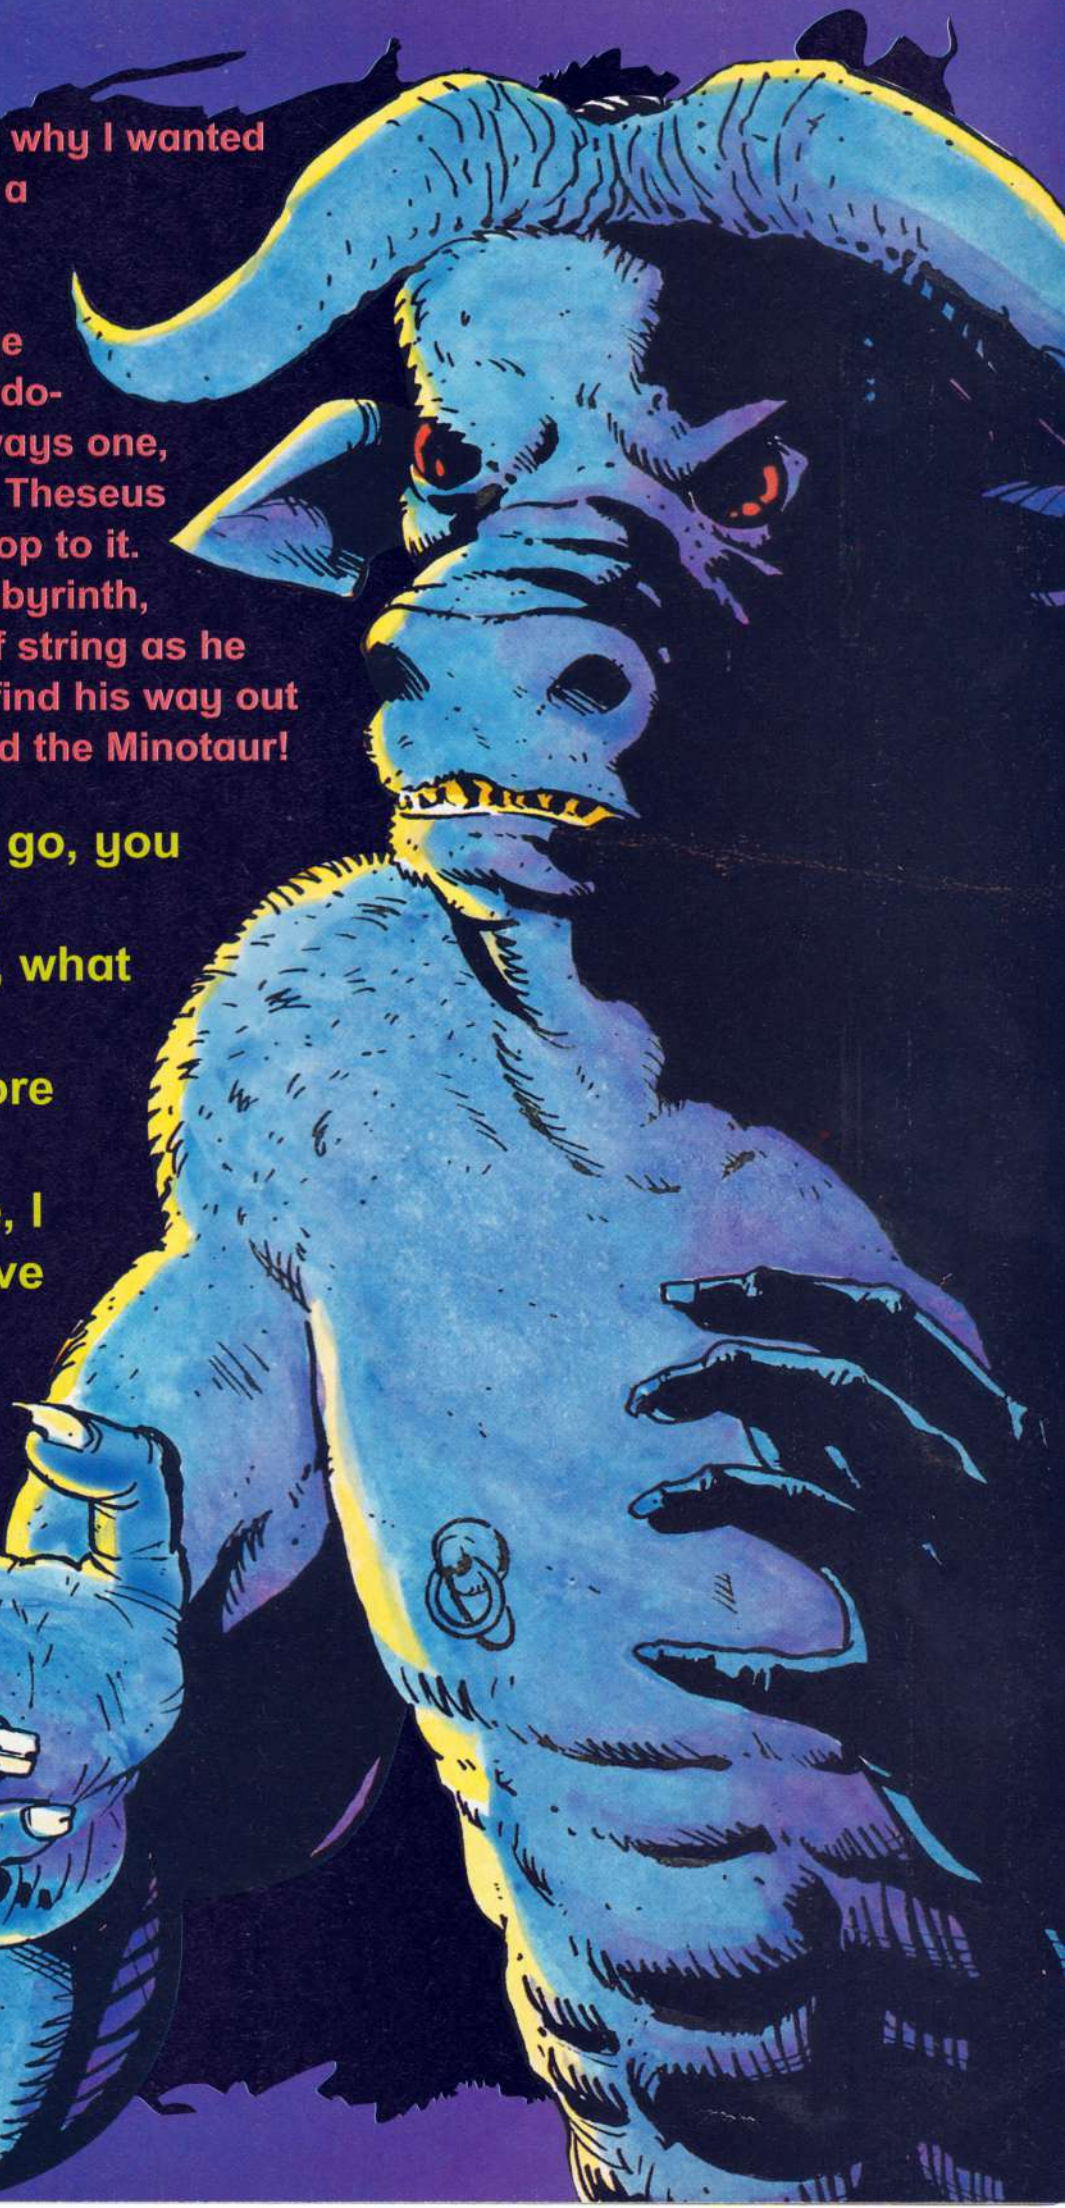

You see, the Minotaur comes from ancient Greek mythology. It lived on the island of Crete in a huge, underground maze called a labyrinth that was so complicated that no-one who went in could ever find their way out again. The Minotaur demanded that seven boys and seven girls be sent to him every year to be eaten!

Well you could see why I wanted to make one. Such a monster would surely make short work of five teenage brats! But a Greek do-gooder (there's always one, isn't there?) called Theseus decided to put a stop to it. He crept into the labyrinth, unwinding a ball of string as he went (so he could find his way out again) and defeated the Minotaur!

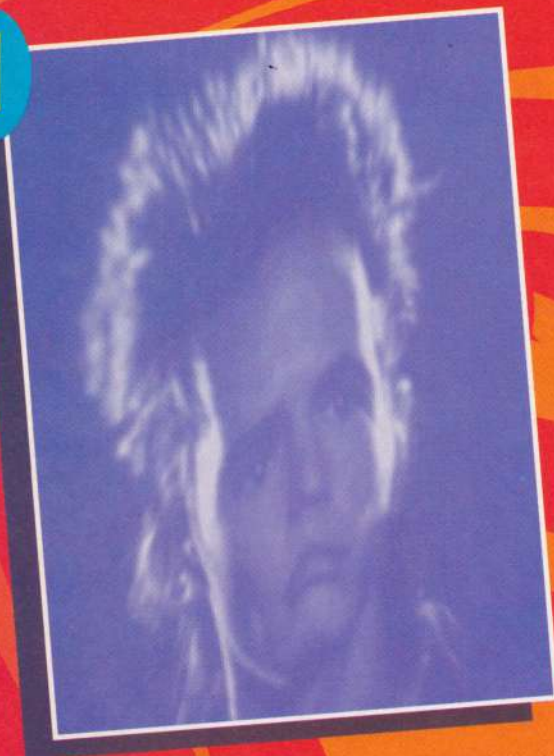

here you go, you see? The Minotaur, what a loser! If I had known that before Rita started bellowing at me, I would never have built him in the first place!

SPOUTING FORTH!

The Power Teens were campaigning to save the old Town Hall from demolition!...

"I can't see why we're doing this," said Rocky. "The building's an eyesore. I mean look at those ugly waterspout things on the roof gutters!"

"The gargoyles?" asked Billy. "But they're an outstanding example of the architectural style of the period!"

A quarter of a million miles away, Lord Zedd turned from his lunar balcony.

"Ha! Little do those Power Dweebs know that they've given me just the idea to demolish them...my Garglegoyle!"

He unleashed an energy bolt at the Town Hall transforming an ordinary stone

gargoyle into the grotesque Garglegoyle! The ugly stone creature spread its wings and landed in front of the Power Teens.

"I think it's Morphin Timel!" said Tommy, and like lightning they called down their powers.

"You're out of your depth this time, Rangers!" rasped Garglegoyle. He opened his mouth and blasted them with a powerful jet of water!

It knocked them over, washing them down the street.

"Looks like I've made quite a splash with you, Rangers!" he jeered.

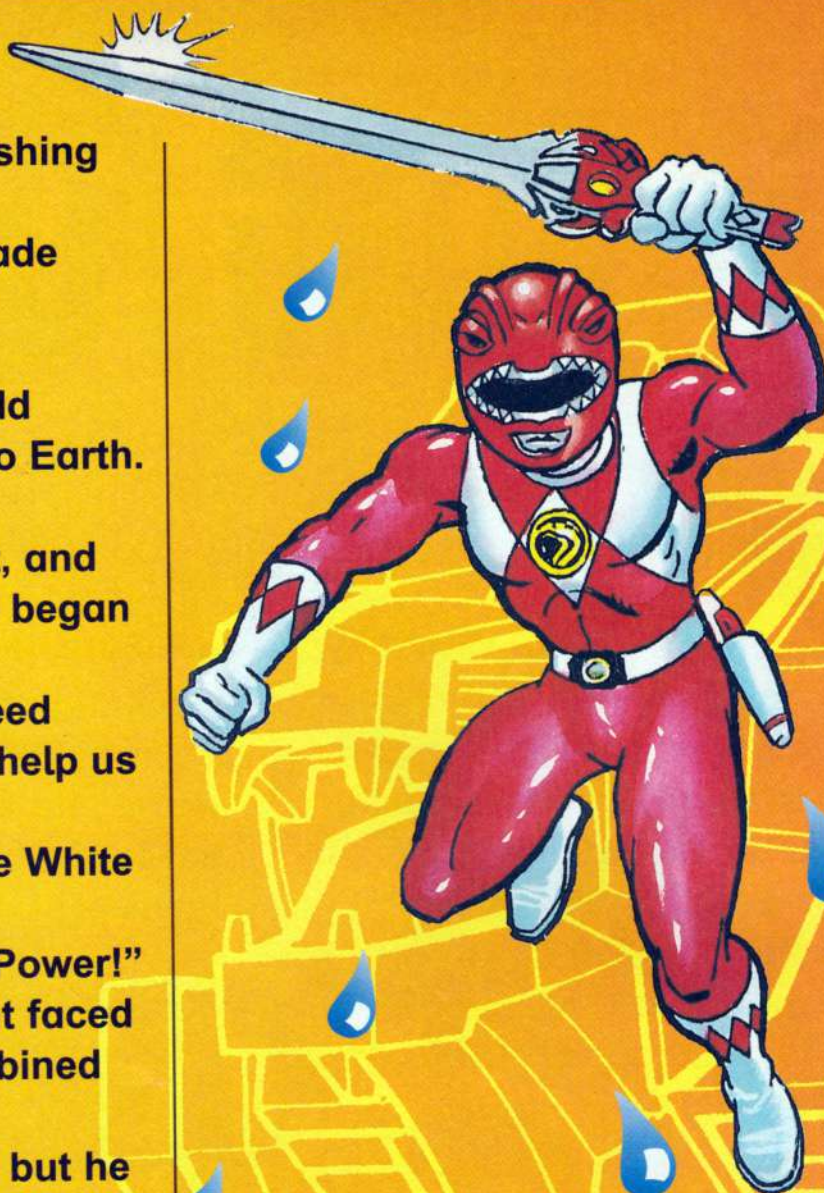

From his Palace, Lord Zedd threw a mystic globe to Earth.

It shattered at

Garglegoyle's feet, and immediately he began to grow.

"We're going to need some real power to help us carve up this silly sculpture!" said the White Ranger

"Thunderzord Power!"
Soon the stone giant faced the incredible combined might of the Thunderzords, but he wasn't impressed. He

hosed the street with another high pressure water jet.

"He missed!" jeered the Black Ranger as the water burst against the ground at their feet.

"No!" cried the Blue Ranger from his tactical station. "I've analysed his attack and there is a danger!" he warned.

But it came too late. The force of the water crumbled the concrete, beneath the Zords' feet. The ground below turned to mud and began to suck the Zords under.

"I'm getting a sinking feeling about this!" said the White Ranger as he wrestled with the controls to free the White Tiger Zord Warrior.

"Going down!?" Garglegoyle sneered as the Zords sank further into the mud pit.

"Billy, we need some ideas - fast!" said the Pink Ranger.

"I'm on it," said the Blue Ranger, "he's made of stone, and stone cracks when it gets either extremely hot or incredibly cold. If we aim the Mega Lasers at the water jet itself..."

The Pink Ranger didn't hesitate.

"Now to pour on the heat!" she said, punching the fire button. Her Firebird laser beams hit Garglegoyle's water spout. It turned instantly to super-heated steam. Loud cracks filled the air as the

creature fractured and splintered in the intense heat before shattering explosively, showering the streets below with rubble.

"That's what I call blowing off steam!" said the Red Ranger.

Later, the Power teens handed in their petition to the Mayor. As luck would have it Angel Grove had a special fund to restore buildings damaged by rampaging monsters - and the old Town Hall now qualified. It was saved!

"I never thought I'd see the day when I'd be thankful to Lord Zedd!" laughed Billy.

RITA

 Well now Hallowe'en's over there's nothing much for a wicked witch like me to look forward to - except the day Christmas is over and everyone's miserable again! There, you see every silver lining has a cloud if only you look for it!

NOW IT'S TIME TO RIP UP SOME OF YOUR LETTERS!

Rita,
I think you should change everything, for instance you could persuade Goldar to teach Squatt, Baboo and Finster to fight the Rangers. Also, instead of Putties you could have lots of Goldars. That would show the Rangers what you're made of.

EDWARD HOWARTH (7)

 **LOTS OF GOLDARS?! You're joking! One of him is bad enough! Don't you remember when he left me for Zeddy? The treacherous dog-faced ape! Ooch - I can feel that headache coming early this week!**

Dear Rita,
I hate you, you horrible witch. I wish that Zordon locks you away and you will never escape. Your monsters are useless. I am glad you were locked

ZONE

away for 10,000 years. I can't imagine how big your brain is - probably the size of a mite.

Yours sincerely, **ALEX JONES.**

 **My brain is the size of a mite, Alex, the size of the Giant Monster Mite from the planet SPLOGG!**

Dear Auntie Rita,
Why don't you quit being a witch, and go and find a job on Jupiter, you might find something worth what you are. Because the Power Rangers are toooooooo good for you and will beat any of your monsters any day. Talk about being beautiful, a frog, a spider and a beetle put together have much more beauty than you! Finally Lord Zedd may be a loony but you're loonier.

Yours faithfully,

MEGHANN JAMES (10)

 **I'm sorry you are so jealous of my beauty, Meghann, you know I can't help being the cosmic mega-babe of the Universe! Actually a frog a beetle and a spider ARE beautiful...
IN A SANDWICH!**

Here are my favourite two monsters for this issue, they are the

Man Eating Doughnut, by LIAM WALLIS! Liam says: "As you can see on the picture - Man Eating Doughnut is just finishing off someone! YUM YUM!"

I also love the **Malayan Shell** - a dynamic Ranger from the Dark Side! What a brilliant name and great design - well done Faizul **ADLI WAN (13), FROM SHEFFIELD!**
